Letter of Recommendation

Dear PATEL PARAG DASHARATHABHAI,

I am writing to recommend a candidate for the Cybersecurity Intern position at HackHalt Cyber Intelligence Council from June 15 to July 15, 2026. I have had the pleasure of working closely with this individual and can attest to their exceptional skills and dedication.

The candidate has a keen understanding of cybersecurity principles and has consistently demonstrated an ability to conduct thorough research to identify potential security vulnerabilities. Their analytical skills in reviewing market trends and proposing innovative solutions are impressive and would be a great asset to your organization.

Additionally, they have experience in implementing and monitoring security measures, ensuring the protection of sensitive data. Their ability to develop and maintain technical documentation related to cybersecurity protocols is noteworthy and enhances their contribution to any team.

I am confident that this individual will excel in the role of Cybersecurity Intern at HackHalt Cyber Intelligence Council and contribute effectively to your team's success.

Best Regards,

Amit Kumar

Program Associate
